**OUR INSPIRATION:**  
**BE MORE.**  
**DO MORE.**  
**GIVE MORE.**

## **OUR MISSION:**

To help young people to believe in and achieve their aspirations for meaningful work.

## **OUR VISION:**

All our young people are contributing to their communities.

## **OUR VALUES:**

**Empathy** – We listen to understand people without judgement.

**Courage** – We acknowledge our fears and bravely go ahead regardless.

**Collaboration** – We make things happen together while respecting individuality.

**Resilience** – When things get difficult, it's ok because we know we can bounce back.

## **YOUTH-FRIENDLY EMPLOYERS WE WORK WITH**

- Create opportunities
- Recognise Talent
- Provides Fair Employment
- Develops People
- Gives Youth Voice

### **WHY BECOME AN YOUTH-FRIENDLY EMPLOYER?**

- You can find young talent for your future workforce and industry
- You get up-to-date industry development while training young people
- There will be more opportunities to develop your managers and senior staff
- Young people are technologically savvy and bring fresh ideas
- There are more opportunities to build upstream services and products for the youth market

### **BECOMING A YOUTH-FRIENDLY EMPLOYER AND GIVING BACK TO THE COMMUNITY**

# E2E INITIATIVES

## E2E INITIATIVES HELP LOCAL SCHOOLS TO

- raise the profile of vocational education and its place as a highly desirable pathway, and
- strengthen the pipeline of students coming into the vocational education system

## E2E JOB BOARD

JobBoard creates equitable opportunities for Year 12-13 students to experience the real world of work. Students will build knowledge, learn valuable skills and improve their employability. Jobs suitable for school students are rostered after school on weekdays or on weekends.

# PLACING STUDENTS IN THE REAL WORLD OF WORK

## E2E CAREER MENTORING

### SHARE AUTHENTIC EXPERIENCE | INSPIRE FUTURE COLLEAGUES

CareerMentoring is another employability development initiative. It is a facilitated learning opportunity for Year 12 and 13 students to interact with young working professionals in their field of interest. Students gain an insight into the professionals' roles and possible career paths, and receive academic and career advice. This is followed up with Job Shadowing and possible Work Experience placement to enhance their career goals.

## E2E WORKPLACE TOUR

# SEE IT YOUR WAY

We work with youth-friendly employers to provide workplace tour of **STEMM** sectors, such as Discover a World where "Humanity and Technology meet" with Wellington's largest independently-owned digital agency, Springload. Students will have the opportunity to get a people-driven digital experience while trying their UX designs and can take their "product" back to school and home.

## GEAR-UP

GearUP is made of four hours of online learning and a 1 hour online group workshop that prepares Year 12-13 students for work. Upon completing the course, students

will receive a GearUp certificate for their CVs, and an acknowledgement of their employment preparation

We run career events that help prepare Wellington taurira for the world of work. For example, the VET Summit is designed for the leading youth-friendly employers of six Workforce Councils to showcase their apprentices' success and collaborate with Wellington schools to help young people adapt and keep up with emerging changes.

## CAREER EVENT

## WORK EXPERIENCE

We work with youth-friendly employers to provide work experience opportunities up to two weeks that help school students to

- get a taste of the real world of work
- better understand working in a professional environment
- learn more about a job or industry
- develop and apply skills and prepare for employment
- provide valuable experience to put on their CVs to increase the chances of finding a job

# WHY HAVE A LONG-TERM RELATIONSHIP WITH E2E CENTRE?

- We are the communication hub for all 18 public schools in Wellington City and Porirua
- We are your communication channel to reach out to local schools effectively
- We are your free ongoing HR source for work-ready young talent
- You can make a difference by contributing to our E2E Scholarships, which enable young people to succeed in work and life

# E2E SCHOLARSHIPS

Through its consistent wide circle of positive influence, E2E Scholarships helps taura develop the skills, confidence and career perspectives required to transition to future STEMM-related work with their youth-friendly employer sponsors.

## THERE ARE TWO STAGES OF DEVELOPMENT:

**STAGE 1** : From Year 9 to Year 13: The E2E Scholarships help taura participants, alongside schooling, go through a science-based self-discovery journey and transition from school to further education.

**STAGE 2** : During further education, the E2E Centre provides a guided placement process and develops taura from internship to sustainable employment as soon as they graduate from further education.

**STAGE 3** : Engaging sustainable employment from day one

Our employer sponsors are the leading companies in their industry who are passionate about preparing youth people for future work and life.

E2E SCHOLARSHIPS FOSTER A **STRONG BOND** BETWEEN EMPLOYER SPONSORS AND STEMM-READY GRADUATES.

E2E SCHOLARSHIPS HELP TAUIRA

1. grow self-awareness, confidence and resilience
2. Build mathematics and critical thinking skills for academic success
3. develop values, emotional and social intelligence
4. enhance the attitudes and employability skills required of the future workforce
5. cultivate the growth mindset required to be more, do more, and give more.

FREE E2E SCHOLARSHIPS

The E2E scholarships are sponsored by employers, agencies, organisations and other stakeholders and free for eligible participants. We work with youth-friendly employers to prepare our taura for future workforce.
